Competitors are registered for the championship when they start an event provided that their membership is fully paid up and have signed off on championship register form

The onus is on the competitor to provide evidence to the Championship Registrar that they have completed the days of marshalling (re: sign on) competitor (re- final results sheet)

For section 1 & 2: The points will be awarded as per overall class results on the final official results sheet for the event

For section 1 & 2: Non competing member's points will be awarded as per marshal sign on sheet provided by the club running event or administrators listing from COC of event.  
(Please write your name and WMCC clearly on sign on sheets)

MI appointed officials cannot score points at an event they attend to officiate at. This also applies to any MI Officials driver.

### **More Small Print**

Ties will be resolved in favour of the competitor with the greatest number of wins, and failing this the greatest number of second places etc. until the tie is resolved. If further ties remain they will ultimately be decided on the basis of performance in the sequential order of events in the championship, starting at the first event.

In case of any doubt the interpretation of these rules shall rest with the registrar of the championship in consultation where necessary with the committee of Wexford Motor Club.

All enquires should be directed to the championship Registrar: **John 'Little' McGrath 087 4449234.**
