

Press Release

23rd August 2021

Due to circumstances beyond our control, with regret, we must now cancel our previously postponed Loose Surface Autocross which was originally scheduled to run on Sunday August 15th. We have tried to reschedule the event, but unfortunately, we have not been successful on this occasion.

We wish to thank all stakeholders including Sponsors, Motorsport Ireland, all Officials and Club members who all gave us such tremendous help and support in planning this event.

We would especially like to acknowledge the many competitors who continue to support our event, and it is with regret that at this time we are unable to provide you with an outlet for your chosen sport.

We are fully committed to running the event again next year, and trust that our loyal supporters will come back to us at that stage. Until then, we wish you all health & happiness, and look forward to seeing you when we can run our event.
