

Wexford Volkswagen

Wexford Volkswagen Stages Rally 2021

Update 1 – Issued on 11/09/2021

After our hugely successful VW Stages Rally in 2019 no one could have envisaged what lay around the corner for the world in 2020 but thankfully for Rally Competitors and Fans alike there is light at the end of the tunnel and all of us at Wexford Motor Club are delighted to announce that preparations for our 2021 Volkswagen Stages Rally which will take place on the 17th of October are now at an advanced stage.

This year's Event will see Pat O Dowd return to the C.O.C's role and we are also delighted to welcome back Wexford Volkswagen as Main Sponsors for the event.

This year will also see us move to a new base in New Ross where we will be using the Albatross Facility as not only a H.Q, but also Scrutiny, Pairc Ferme and Service and with 2 Stages just outside of New Ross Town it makes for a very compact Event with limited Road Milage.

Also new for 2021 will be an optional Shakedown Stage which will be run on Saturday Afternoon.

The Format for this year's event is as follows:

Saturday 16th October: Recce, Scrutiny and Shakedown.

Sunday 17th October: 2 Stages Run 3 Times. (75 Stage Kms + 125 Road Kms)

Entry Fee:

Main Field: **€695** (Including Trackers).

Juniors: **€650** (All 6 Stages inc. Trackers).

We are currently awaiting approval of our Regs, and entries will open on publication of same.

Further information on the Event will be released in the coming days on our website www.wexfordmotorclub.ie and also on our Facebook Page Wexford Motor Club.
