

Child Safeguarding Statement & Risk Assessment

Due for Review April 2026

Wexford Motor Club Child Safeguarding Statement

Wexford Motor Club is affiliated to Motorsport Ireland and provides various sporting activities and opportunities for young people through participation in our youth academy, regional, provincial and national motorsport events.

Wexford Motor Club is committed to safeguarding children and by working under the guidance of Motorsport Ireland Safeguarding Policies and Wexford Motor Club policies our staff, both volunteers and employed, working with our young people, throughout the organisation, seek to create a safe environment for young people to grow and develop within the sport.

Wexford Motor Clubs Risk Assessment document indicates the areas of potential risk of harm, the likelihood of the risk occurring, and gives the required policy, guidance or process documents required to alleviate these risks. The list of risks identified are contained in the following categories: Practices; Complaints & Discipline; Reporting Procedures; Use of Facilities; Recruitment; Communications; General Risk of Harm.

Our Child Safeguarding Statement has been developed in line with requirements under the Children First Act 2015, (Children First: National Guidance and Tusla's Child Safeguarding: A guide for Policy, Procedure and Practice) In addition to our Risk Assessment document described above, there are further procedures that support our intention to safeguard children while they are availing of our activities.

Wexford Motor Club has the following procedures in place as part of our Safeguarding Policies:

- Procedures for the management of allegations of abuse or misconduct by staff or volunteers against a child availing of our activities
- Procedures for the safe recruitment of staff and volunteers to work with children in our activities
- Procedures for access to child safeguarding training and information, including the identification of the occurrence of harm
- Procedure for reporting of child protection or welfare concerns to Statutory Authorities

We recognise that implementation is an ongoing process. **Wexford Motor Club** is committed to the implementation of this Child Safeguarding Statement and the procedures that support our intention to keep children safe from harm while availing of our activities.

This Child Safeguarding Statement will be reviewed on **4th April 2026**.

Risk Assessment document for Wexford Motor Club

This risk assessment considers the potential for harm to come to children whilst they are in **Wexford Motor Club's** care. This risk assessment precedes the Child Safeguarding Statement (Section 11 (1b) Children First Act 2015) which is developed following this risk assessment process. In accordance with the requirements of Section 11 (1) of the Children First Act 2015 the risk is of abuse and not general health and safety risk (covered under a separate H&S policy and risk assessment).

Section 11 (1) of the Children First Act 2015 states that where a person proposes to operate as a provider of a relevant service, he or she shall, within 3 months from the date on which he or she commences as such a provider—

- (a) Undertake an assessment of any potential for harm to a child while availing of the service (in this section referred to as a “risk”).
